

All stud fees are set at \$1,000. A \$200 Service Fee is due at the time gfor breeding, with the remainder due within 7 days of the bitch whelping. If the bitch fails to produce a litter, (2 puppies constitute a litter) a repeat service will be given to the same bitch, OR, any other bitch owned by you, to any of my Stud Dogs. Service fees are not refundable.

The bitch owner is responsible for all shipping charges, as well as charges for extenders, and shipping boxes. I do keep a limited supply of boxes and extenders on hand and can offer them to you at cost.

My shipping address is:

Jill Ickowski
3504 YochumRd
Eden NY 14057
716 992 9521

Regarding shipping:

All shipping charges MUST be prepaid. It is strongly recommended that the bitch owner open up their own Fed Ex Account.

There is no charge for opening up an account, and can be done online in minutes.

If shipping overseas, it is the bitch owners responsibility to arrange for any form's, duties or taxes, as well as arrangements for shipping. (i.e. time schedule's etc)

We also ask that you utilize progesterone testing for your bitch, and give us the results in a timely fashion so arrangements can be made with enough time to get the semen to you when you need it.

We have provided this information as a rough guideline as to what to expect to ensure that the breeding is a successful one. If you have any other questions or concerns, please do not hesitate to ask.
